

## GS200H

### Surface housing for GS200/GS200M shearlock (pair)

This housing enables the GS200 and GS200M shearlocks to be surface mounted. Also, when used in conjunction with the GS200GH it enables the shearlock to be mounted to a frameless glass door and glass header.

#### Features

- Enables surface mounting
- Satin anodised aluminium finish
- Includes shims to assist with alignment
- Suitable only for GS200 and GS200M

#### Technical Information

- Dimensions: 182mm (L) x 48mm (W) x 36mm (D)
