GA-LK-LOOPCAB100M

SSP LOOP CABLE 100M

FEATURES

- 300/500 Volt Rubber insulated, flame retardant, flexible cables for use as coil end leads that are connected directly and permanently to a coil winding or other component of electrical apparatus
- Suitable for use where the maximum voltage, between conductors or between conductors and earth, to which the cable is liable to be subjected during a 1 minute test of the equipment to which it is connected does not exceed 2.5kV
