MANUAL STAINLESS STEEL GAS BOLLARD WITH LED

700mm x 219mm manual gas bollard in stainless steel complete with LED light crown

FEATURES

The Dampy manual gas-spring rising bollards are designed to offer road access control with an extremely quick and simple operation. The bollards are operated using special keys, lowered by pushing down and automatically locked into place at the bottom. They can be used in mixed installations to cover wide passages managed by both fixed, electric and gas operated bollards. The bollard is 219 mm diameter and 700 mm in height. It is equipped with an LED light crown and comes in Stainless Steel finish.
