GCG 200 - Gas Gate Closer 200NM Max Weight 80kg 0.8m to 1.2m

FEATURES

The GCG Easy 200 pedestrian gas gate closer is economical and easy to install for commercial gates.

- Easy fit to timber or steel gates with fixing brackets
- Unbelievably Quiet Operation
- No Clockwork Mechanisms
- Pre-set controlled closing speed
- Low opening hand forces
- Robust construction

Easy gate closers do not slam gates shut, but slowly and quietly push them closed. This makes them ideal for use with magnetic gate locks, electric gate locks and other latching devices.
