BFT-KIT-DAMPYB-700-SS

DAMPY B 700 X 220 MANUAL GAS BOLLARD KIT IN STAINLESS STEEL

These gas-spring rising bollards are designed to offer road access control with an extremely quick and simple operation. The bollards are operated using special keys, lowered by pushing down and automatically locked into place at the bottom. They can be used in mixed installations to cover wide passages managed by both fixed, electric and gas operated bollards.
